DEPARTMENT OF THE INTERIOR
UNITED STATES INDIAN SERVICE

Siletz Agency,

Siletz, Oregon, April 7, 1916.

Commissioner of Indian Affairs,
Washington, D. C.

My dear Mr. Commissioner:

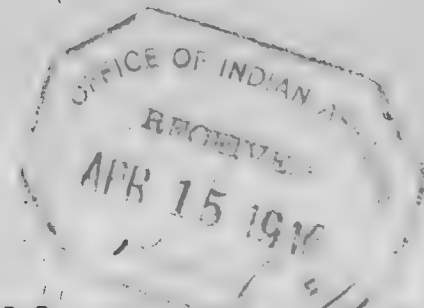

Replying to your letter of March 22, 1916, relative to the census report of the Grande Ronde Indians, I would advise you that upon taking charge of the agency in 1914, I found that the names of Indians receiving patent in fee had been dropped from the census reports by my predecessors and in making the census report for 1915, I added a certificate at the bottom of the report for the purpose of drawing your attention to the matter. I supposed the action had been taken under some instruction from the Office which I was unable to find.

I shall be glad to prepare a full census report of the Grande Ronde Indians for 1916 as directed.

Very respectfully,

Edwin L. Chalkcraft
Superintendent.

Mr. Edwin H. Chalcraft,
Supt. Siletz School.

MAR 22 1916

My dear Mr. Chalcraft:

Your predecessor's census report for 1906 of the Grand Ponde Indians shows 353 names, whereas your report for the fiscal year 1915 shows only 25 names. In explanation of this you state that the difference may be accounted for by the fact that patents in fee have been issued to various Indians, and that the names of such Indians have been dropped from the census reports.

The Office does not favor the striking from the tribal rolls those Indians who have received patents in fee, or those who have received their pro rata share of the tribal fund.

In this connection your attention is invited to Section 9 of the Act of July 4, 1884 (23 Stat. 1 98), which requires that Superintendents in charge of Indian reservations submit annually a census of all Indians under their jurisdiction.

In view of these facts, the Office requests you.

to prepare a list of the Indians for each reservation under your jurisdiction on Form 5-128, for the fiscal year ending June 30, 1916.

Very truly yours,

(Signed E. B. Meritt

Mr Edwin L. Chascraft,
Supt. Siletz School.

My dear Mr Chascraft:

Your previous census
report for 1906 of the Grand Ronde
Indians shows 353 names, whereas your
report for the fiscal year 1915 shows only
25 names. In explanation of this you
state that the difference may be
accounted for by the fact that
settlements in the area have moved to
various Indian reservations, and that the names
of such Indians have been dropped
from the Census reports.

The Office does not favor the
striking from the tribal rolls
those Indians who have received
patents in fee, or those who have
received their pro rata share of the
tribal fund.

In this connection your attention is invited to section 9 of the Act of July 4, 1854 (23 Stat. 278), which requires that Superintendents in charge of Indian reservations submit annually a census of all Indians under their jurisdiction.

In view of these facts, the Office requests you to prepare a list of the Indians ^{on each reservation} under your jurisdiction on Form 5-128, for the fiscal year ending June 30, 1916.

~~Respectfully,~~

Wm. Smith
